## **Spring Fling "It with Whatever You Got" Match & Plainsman Shootout**

**Saturday March 25th  
Lead Flys 9:30 AM**

**Dust off those sigle shot buffalo guns you normally only bring out for long range events! Maybe that 1911 that only goes "Wild" for 2 or 3 matches a year. Or if you are feeling a little Josey Wales and 4 revolvers sounds more fun!**

**Also we are having a good ol fashion Plainsman match! Get ready for the Western Frontiersman Territorial Match coming up in June!  
For our match only, additional category to be added that will allow centerfire revolver if you don't have cap & ball.**

**We will order lunch from Shedd market that morning  
Any questions email Black RZR**
