

SASS Oregon State Championship & 21st Annual Shootout at Saddle Butte

During the SASS Oregon State Championship and 21st Annual Shootout at Saddle Butte there will be several opportunities to show off your costuming talents. SASS costuming creates both the environment and shared attitude that sets the tone for camaraderie unequalled in other shooting events. In fact, costuming has evolved into an art form of its own. Some SASS members enjoy the costuming aspect as much or even more than the shooting!

THE RULES

We've tweaked a few things and hopefully those changes will make it easier for more attendees to participate. No entry forms are needed and everyone is invited to join in the fun. All costume entrants will show up (either voluntarily or by order of the costume maven) at the designated times, give their name, and present their attire to our highly esteemed and varied judges--other than giving your name you don't have to say a word. Don't be shy, these are meant to be a fun events, and this year only the winners from each category will be presented on the stage.

SADDLE BUTTE SOCIAL CLUB

Join Madame Rose at the big tent as the fun and frivolity kicks off on Friday evening at 7:00 p.m. with the *Saddle Butte Social Club Poker Game & Party*. Everyone is welcome. The buy-in fee for the poker game is \$10 (it's donated to the local Boy Scouts). The ever popular and coveted *Soiled Doves* award is up for grabs this year so wear your favorite outrageous dove/saloon/silver screen costume and catch the eyes of our cowboy/gentlemen callers. ****Bring your favorite dessert to share and your own beverage to drink.**** Smoking allowed at Antety's Purple Perfume Palace only.

BEST DRESSED CONTEST

Show up and show off your attire on Saturday night at 5:30 p.m. to our panel of judges. Best Dressed categories are *Men, Ladies, Military* and a special *Back to the Future 3* theme. Contestants will be judged on the following criterion—Authenticity, Originality, and Detail (including hats, gloves, jewelry/medals, and other appropriate accessories). Original or “off the rack” clothing is acceptable as long as it is “period correct” and relates to SASS Cowboy Action Shooting. For those who dress in the BF3 **THEME** you will be judged on your portrayal of any character from the movie. After supper there will be a promenade of all contestants. Awards for first place and honorable mention will be presented following the promenade.

WORKING COSTUMES

All shooters will be judged on their attire over the 2-day shooting period following the main guidelines set up in the SASS manual. It's not the best dressed, it's the best costumes according to the judges. Categories are: *Old West, Victorian, B-Western, Military*. Shoot-em up and have fun.
